About us

Welcome to OISHII !

We are delighted to have you step into our corner of authentic Japan, nestled in the heart of Brussels. At Oishii, we believe that every bowl of ramen is a culinary masterpiece, a perfect fusion of flavors, textures, and Japanese traditions.

Our story began decades ago when our founder learned the ancient art of ramen preparation on the bustling streets of Tokyo. Since then, we have poured our hearts and souls into every bowl we serve. We've perfected our recipes, simmered our broths for hours, and handpicked the finest ingredients to create a true feast for your taste buds. At the core of our cuisine are our fresh noodles, crafted daily with passion by our dedicated team of chefs. Their soft, delightfully elastic texture serves as the perfect canvas for our fragrant broths and exquisite toppings.

At Oishii, we are committed to delivering an authentic experience to every visitor. Our warm and inviting ambiance invites you to savor the essence of Japan with every bite. Join us on a journey where tradition meets innovation, and where each bowl of ramen tells a unique story of craftsmanship and dedication.

Come, discover the flavors of Japan. We can't wait to share our love for ramen with you.
